Welcome to our first newsletter

Hello, and welcome. This newsletter contains information about museums, galleries and arts and culture activities in Manchester. At the moment these venues are closed to visitors but we hope they will open soon, as lockdown measures relax and that you and your family will be inspired to visit. In the meantime there are ideas for 'virtual visits' and some ideas of what to do when you can visit—and our competition to get your own ideas for the next newsletter!

A newsletter for little explorers to find out more about museums, galleries and arts and culture activities in Manchester.
