

WELCOME TO OUR HAF SEND CHRISTMAS PROGRAMME

We have a range of activities over the Christmas school holidays to help keep everyone entertained and provide free or very low cost family activities.

Remember:

- As a HAF funded programme each booking should include at least one child with SEND aged 5-16 years.
- Follow booking instructions carefully—as a small team of volunteers we don't have capacity to swap, change or refund activities if you don't provide all the correct information
- Some activities have age restrictions—please check
- Activities are designed primarily for children—your booking should not include more adults than children unless the child requires 2:1 adult supervision.

Welcome to our Christmas 2024 HAF SEND programme.

We have tried to take on board as much feedback as possible from the summer. Some criteria is outside of our control but we hope these changes help to make the programme more accessible for your children:

- Text or online bookings only (no face to face sessions that require queuing or travelling)
- Booking nearer to the dates of the activities
- Pantomines at the theatre and in community venues
- A fully accessible activity for children with more complex needs

On behalf of the HAF SEND partnership we wish you all a peaceful festive period. Thank you.
